

DISCOVERY

A Challenging, Fun day.

The aim is to compete in as many tasks as possible to achieve the best possible score for you and your team.

The tasks feature a combination of cerebral and physical challenges

- The Photo Mission
- The Cryptic Trail
- Team Tasks

Teams have their own designated car or jeep, a full set of navigational and personal safety equipment, rule books, Polaroid Camera, route Map and everything they need (or are allowed to use!) to complete the exploration.

Depending on location. Activities such as:

- Archery
 - Celtic Games
 - Clay Pigeon Shooting
 - Fishing
- and many more.

This is also a creative way to replace boring transfers.
