

OPERATION TANGO

A Team Challenge of suspense and strategy

Complete your tasks and race your rivals!

Using everything you learned at your base-camp briefing, you and your team must put your heads together to plan a winning strategy.

Send your troops out to complete activities hidden in secret locations in a thrilling race against rival batallions!

The final fray is the Great Race between the teams using the armoured vehicles each team has assembled.

An extremely popular event, with close communication and cross-functional teamwork essential to winning the war!
