Team Building

Dynamic Events has been providing Corporate Team Building Events to the Irish market for over 25 years.

We have a wide range of team building activities to choose from and cater for very small groups of less than 15 to larger groups of up to 1,000+ people.

Dynamic Events have many events that are perfect solutions for team bonding and company entertainment. Get your teams working and thinking together. We'll help by planning tailor made activities for you and your team. We are Ireland's number one supplier of company entertainment and team building events.

Team Building Formats

We can deliver team building solutions to you in different formats depending on your circumstances. Most events will have a **set up fee** and a **player fee**. The set up fee is determined by the format you require and will include an event manager to host your event. The player fee is determined by the activity you choose. Some events will have a transport fee depending on the location of the event.

A **Fully Managed In Person Event** is where we have an event manager and support staff physically attend your event at the hotel.

An **In Person Event with Remote Host** is where there is no need for an event manager on site. All of the participants are together in a hotel conference room or meeting space. We deliver the briefing and results via video conference and support the activities remotely. Our event manager will remotely monitor your event online to ensure everything is running smoothly.

A **Hybrid Event** is where we can have in-person and online participants at the same time. Some people will be at the event venue and others will dial in via their own video conference.

What our clients say...

Please can I extend a huge thank you to you and the team in Dynamic Events that executed our activities. Our team had nothing but positive feedback and thoroughly enjoyed themselves. Please pass on our thanks to all involved.

Dynamic Events really made our event fun from start to finish. The service was brilliant and everyone really enjoyed the event. With a group of 400 in one room, this was the perfect activity. Many of the guests did not know anyone at their table and this was the perfect way to break the ice. Thank you Dynamic Events for such a fun experience.

"I worked with Dynamic Events to organize an end-of-year holiday party for our corp team. The party was set in a premium city-center hotel here in Dublin. I am extremely grateful to the staff of Dynamic Events for their exceptional communication during the planning stage and their spectacular execution during the day of the event. The whole process was very rewarding, well-planned, and implemented to the highest standards. Everyone on our team could not stop talking about this party for weeks. Thank you so much, Dynamic Events!"

"The team at Dynamic Event are just incredible at every aspect of event management, they are highly professional and detail orientated. They worked with us to create a 4 day event and an evening gala for 250 people. Their experience and guidance helped shaped our event into a massive success enjoyed by everyone. They were always accommodating and helpful from start to finish. The events themselves were fantastic. I would highly recommend Dynamic Events and it would be a pleasure to work with them again in the future."
