Digital Treasure Hunts

Discover the ultimate way to get your team moving with our interactive treasure hunts! Perfect for teams seeking a fun-filled challenge, our award-winning app allows teams to engage in scavenger hunts at locations of their choice.

What is a Digital Treasure Hunt?

A digital treasure hunt is an interactive team-building activity that combines adventure, problem-solving, and technology. Ideal for a company offsite, this experience, powered by our Mobile Adventures app, tasks teams with navigating any venue, town or city, uncovering hidden hotspots, and completing various challenges. These challenges range from trivia questions to creative tasks like photo or video submissions, all designed to encourage teamwork and critical thinking.

Why Choose Us For Outdoor & Online Treasure Hunts?

- Flexible: Custom-built to suit your team's schedule and needs—ideal for corporate events, team gatherings, or company offsites.
- 24/7 availability: Whether it's across time zones or after work hours, we're here when you need us.
- Carbon neutral: Enjoy team building without the environmental footprint.
- Affordable: We deliver impactful experiences without breaking your budget.

Unite and Conquer: Build a Cohesive Team:

Our treasure hunts are the ultimate test of unity and collaboration. Teams work together to solve challenges and climb the leaderboard. The event wraps up with a special presentation from our event manager, showcasing memorable photos and videos captured by the teams, and, of course, announcing the winning team!

Tailored to Meet Your Company's Needs:

We understand that every company is different, which is why we offer customisable treasure hunts that align with your brand, goals, and team dynamic. Whether you need location-based challenges, company branding, or bespoke questions related to your business, we've got you covered.

Event Formats:

We offer various formats to suit your needs, each with a setup fee and a player fee. The setup fee includes an event manager:

Fully Managed In-Person Event:

Our event manager and support staff are on-site.

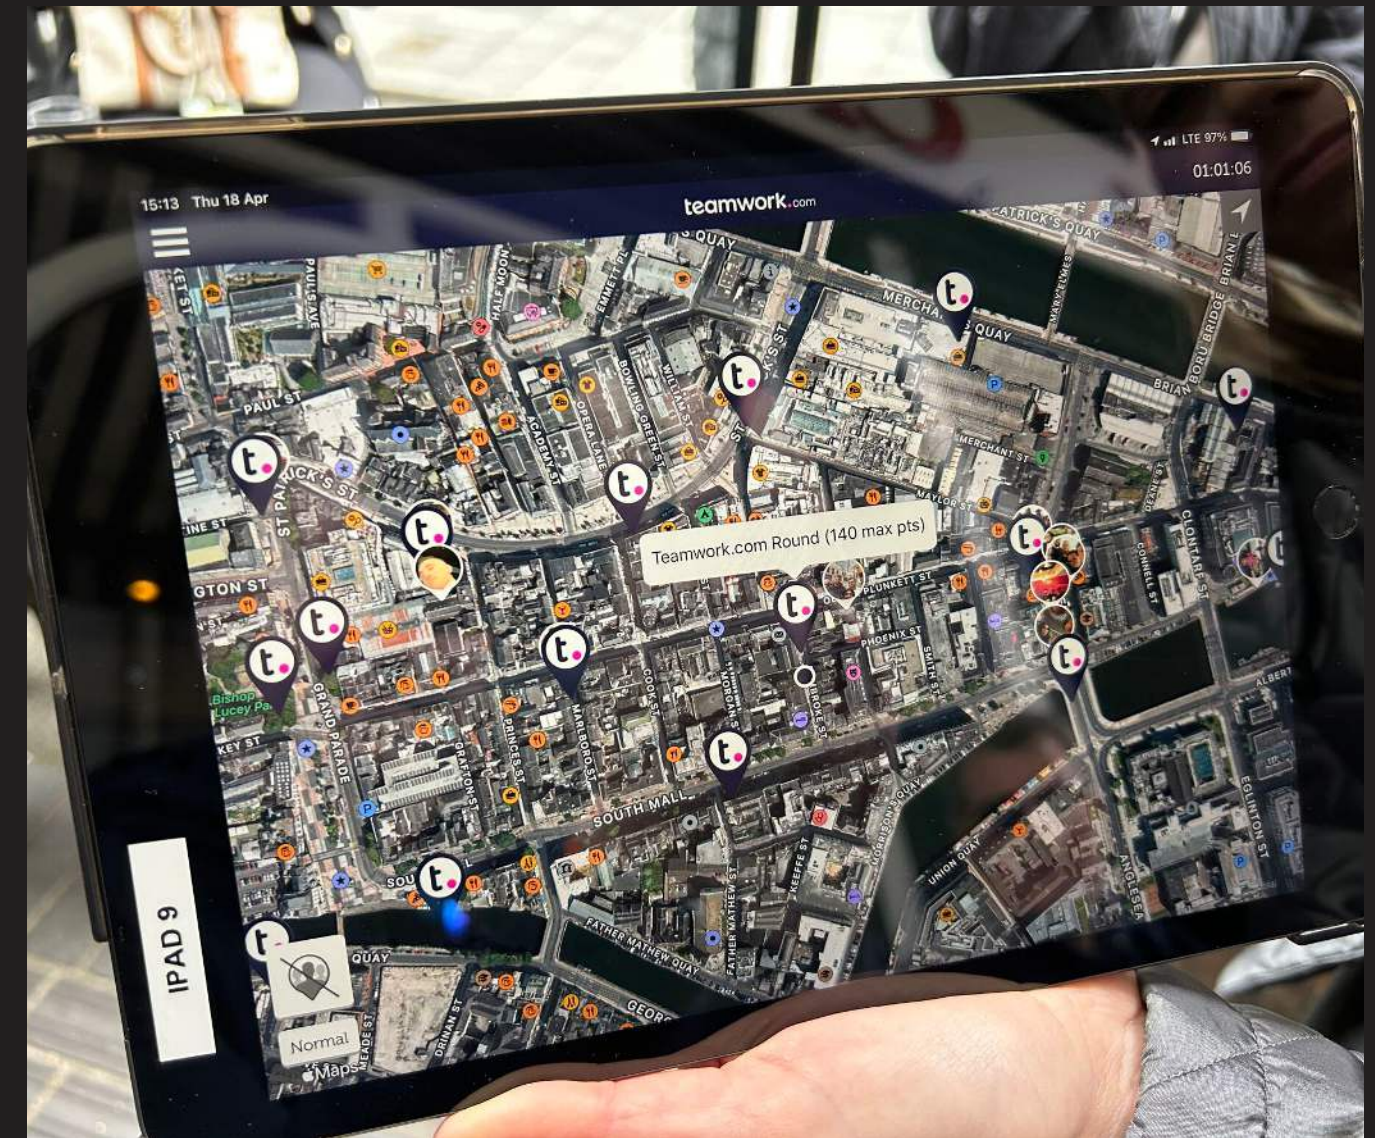

In-Person Event with a Remote Host:

We guide and monitor remotely, with no on-site manager.

Benefits of Digital Treasure Hunts:

- Boosts morale
- Encourages participation and problem-solving
- Builds relationships
- Connects teams through exploration
- Adaptive to your needs
- Great for large or small groups

On the following pages, we outline our different types of Digital Treasure Hunts.
