More Info

Our Disco Bingo Online is a high energy online party experience with an exciting twist on bingo. Driven by a high energy host on Zoom the standard bingo format has been replaced by much-loved music clips and party games.

Instead of your boring old numbers being called out in a normal game of bingo, we've replaced them with 15-20 seconds bursts of the most toe-tappin', bum wigglin' sing along songs from the past and present. All music is provided by our online MC/DJ.

Format:

The numbers on the digital bingo cards have been replaced with artists and song name. So with your bingo card in hand and finger at the ready listen out for the songs being played and mark them off as you would a normal game of bingo. The freestyle element of our MC doing random interactive party games in between rounds really adds to the fun.

All of the above is hosted on our Zoom platform and we provide event managers and game support on the night to run the show remotely.

We provide everything from dualling MC's, DJ, music tracks, video, game support, Zoom link and digital bingo card. All you guys have to do is show up for the event.
