## Digital Treasure Hunt

@

Yew Point

### Yew Point at Hodson Bay is a private parkland managed by Hodson Bay

Dynamic Events has developed a fun GPS Digital Treasure Hunt which takes in the magnificent 140 acres peninsula of unspoiled meadowland and native woodlands adjacent to the Hotel which is surrounded by the lake.

The land has been untouched for centuries and the utmost care has been taken during the development of the trails to ensure all the ancient woodlands and thriving local wildlife are undisturbed.

Using interactive technology, teams race to locate GPS activated hotspots to unlock fun team challenges to earn points for their team. Teams must strategise, communicate and collaborate to climb the leaderboard in a race against time.

## What our clients say...

*Please can I extend a huge thank you to you and the team in Dynamic Events that executed our activities. Our team had nothing but positive feedback and thoroughly enjoyed themselves. Please pass on our thanks to all involved.*

*Dynamic Events really made our event fun from start to finish. The service was brilliant and everyone really enjoyed the event. With a group of 400 in one room, this was the perfect activity. Many of the guests did not know anyone at their table and this was the perfect way to break the ice. Thank you Dynamic Events for such a fun experience.*

*"I worked with Dynamic Events to organize an end-of-year holiday party for our corp team. The party was set in a premium city-center hotel here in Dublin. I am extremely grateful to the staff of Dynamic Events for their exceptional communication during the planning stage and their spectacular execution during the day of the event. The whole process was very rewarding, well-planned, and implemented to the highest standards. Everyone on our team could not stop talking about this party for weeks. Thank you so much, Dynamic Events!"*

*"The team at Dynamic Event are just incredible at every aspect of event management, they are highly professional and detail orientated. They worked with us to create a 4 day event and an evening gala for 250 people. Their experience and guidance helped shaped our event into a massive success enjoyed by everyone. They were always accommodating and helpful from start to finish. The events themselves were fantastic. I would highly recommend Dynamic Events and it would be a pleasure to work with them again in the future."*
