Team Olympics

An enthralling, competitive team event packed full of inflatables and team tasks.

More Info

This competitive team building event contains a series of games in which all teams will compete against each other to score points, culminating in a team finale, just like the real Olympic Games. This is a highly entertaining and visual event full of weird and wacky games and large inflatables, certain to bring out your inner child. Teams will rotate these games in a round robin format, making this a lively, engaging experience.

Go for Gold!

For this event we propose to have an action packed Company Olympics pack full of inflatable fun and team tasks. get into the fun by bouncing and solving your way around a series of activities. This is simply great fun bringing out the child from within. Your very own Bouncy Castle type adventure!

The Team Olympics is a series of inflatable and team games played out over a 2 ½ hour period in a round robin format with scoring attached to each game culminating in a team finale. The Objective is to score as many points as possible while participating in a series of team games which are supervised by Dynamic Events Staff. We will provide a team booklet and score each event. We can have the winning team announced straight away or you can keep the results secret until later that night.

This programme is run the same as our Challenger event with the addition of having giant inflatable games added in. We will present the activity zones on the lawns of the venue for your group which will involve fun, agility and some great team work.

The inflatables & games include

- Giant Foot Darts
- Inflatable Basket Ball
- Speed Reaction Game
