Trading Table

This fast-paced activity is all about the buy buy buy and sell sell sell of the trading world; focusing on strategy, sales, competition and most importantly collaboration!

More Info

It's time to polish up those trading skills and sharpen your negotiation tactics as you take on our Trading Table challenge.

This fast-paced activity is all about the buy buy buy and sell sell sell of the trading world; focusing on strategy, sales, competition and most importantly collaboration! Will your team risk the fluctuating trading board and purchase items at the lowest price or play it safe and make smaller profit margins? It's all about strategy in this testing trading activity.

Using crypto-currency, this high energy challenge will rely on quick decision making, instinct and collaboration in order to reign supreme and bring home the cash!

Event Type In Person	Approach Competitive	Duration 1.5hrs	Numbers 15-300	Location Indoor
