

Virtual Away Day

Motivate your team while they
work from home

Game Changing Experiences

How does it work?

The Brief

The event starts with an uplifting video briefing from one of our experienced facilitators who will be present (virtually!) via video. Participants will then jump into their activity, completing challenges through our app, all from the comfort and safety of their own home.

The Process

With a huge variety of content and app features, the challenges are designed to recreate the things that we love about working in a busy office.

The Result

The activity will bring your team together, reduce feelings of isolation whilst boosting morale.

Virtual Away Day

This exciting challenge involves participants undertaking challenges using our app - all from the comfort and safety of their own home.

The aim of the challenge is to score as many points by completing as many challenges as you can within the allotted time.

Working in remote teams, participants will need to collaborate to decide which answers are correct to win maximum points. Playing from any location including home, participants will use their own devices to complete tasks and challenges.

Communication and strategy are key to succeeding at this challenge. Players must collaborate with other remote players in order to succeed and complete challenges before the time runs out!

Testimonials

10 out of 10. Keep do what you do, excellent service and great people to deal with.

Took charge of the event and looked after everything from start to finish.

Working with a short period of time the team were able to deliver one of the best events I have ever been to.

Head of Dealer Network Ireland

What an amazing team day! I can't thank the Dynamic Events enough for the superb ipad event they took us on for our recent team day out. Expertly managed in the run up to, and on the day. Our team will be talking about the event for a long time to come!

EA to President Kellogg Europe

Dynamic Events really made our event fun from start to finish. The service was brilliant and everyone really enjoyed the event. With a group of 400 in one room, this was the perfect activity. Many of the guests did not know anyone at their table and this was the perfect way to break the ice. Thank you Dynamic Events for such a fun experience
